

5 Days of Faith

Dr. Torrance Jacko Sr.

DAY FIVE

SPIRIT OF FAITH

2 Corinthians 4:13

“We have the same spirit of faith...”

SPIRIT OF FAITH

The word “same” indicates that two things are equally alike. For example, same color, job, place all represent things that are identical. Paul is telling us that the “spirit of faith” has two components, believing and speaking. They believed and as a result, they spoke what they believed out of their mouths.

If your faith is the same as theirs, it must function the same way theirs did. They believed and spoke and God classified it as Faith. Your faith must contain both believing with the heart and speaking what you believe out of your mouth, or else it's not the same spirit of faith.

This scripture implies that speaking is a major part of the faith process, because what you believe, eventually results in your speaking it. Speaking it activates the power of God.

If you really believe what you say you believe, then you should really start saying it!

Faith Confession

Father I thank You for the spirit of faith and I choose to address every situation I face with Your Word coming out of my mouth. I believe that what I say shall come to pass and I will say it until I see it...in the name of Jesus,
AMEN!
