DAY FOUR

FAITH BY HEARING

Romans 10:17

“Faith comes by hearing the Word of God”

FAITH MAGNET

God requires each of us to trust Him. He demands that we walk by faith and not by sight. 2 Corinthians 5:7 For God to hold us accountable for this faith, He must also make it possible to acquire it!

The field has been leveled and we can all have the same faith. Romans 12:3 All that's required is your willingness to HEAR the Word of God. When the Word of God is preached, it produces faith in the heart of the hearer.

It is the responsibility of the believer to be careful what you hear. Faith is available and it comes by hearing God's Word. When you know what God said, then you can believe and act on it.

Hearing is an act of your will. You choose what you are willing to hear or not. Open your heart to hearing the Word, whether live, recorded or any other way you can.

What you hear is going to have an affect on your faith, positively or negatively!

Faith Confession

Father I commit to hearing Your Word consistently. I will go to Church, listen to audio messages and study to **know** what You said, **believe** and be a Doer of Your Word. I receive the Faith of God when I hear the Word of God...in the name of Jesus, AMEN!
